AMENDMENT AND RESPONSE UNDER 37 C.F.R. § 1.111

Sir:

This is a response to the February 1, 2007 Notice of Non-Compliant Amendment. A response is due March 3, 2007. The February 1 Notice states that the amendment submitted September 1, 2006 Amendment was non-responsive since the added claims were directed to a non-elected invention. Although applicant believes that no fees are required for filing this amendment, the Commissioner is authorized to charge any fees that are determined to be due to Deposit Account 50-3840.

Applicant assumes for the purpose of this response that, since the prior response was deemed non-compliant, no amendments were entered in the case.

Please amend the application as set forth below.
